

Greek Catholic Patriarchate School - Beit Sahour
List of Needy Students 2017/2018

The selection of the needy students list is based on:

- 1- The case of each family, ie (financial situation, number of family members, development of parent's health...etc)
- 2- Most families have overwhelming unpaid tuition fees piled up from previous years.
- 3- The income of all families is low.

All of the families believe in education and would like to keep their children attending our school. Your sponsorship will help us retain those needy students, preserve and develop the faith in their home, land and give their parents hope for a better future for their children.

Also your assistance will help the school cover a part of the old due balances thus reducing the annual deficit.
